## OVERVIEW

Choose your own departure date for your group

After visiting the very best of Northern Italy, why not extend your stay and discover Sicily!

A fantastic tour offering all that is the very best of Italy. On our journey from Milan to Palermo we will visit the classic cities of Verona, Venice, Bologna, Florence, Pisa, Lucca and Rome. See spectacular Lake Maggiore, experience the magnificent scenery of Tuscany, walk in the footsteps of Roman emperors. We'll sample traditional food and wine, explore iconic buildings such as the Colosseum, St Mark's and the Leaning Tower of Pisa and visit some of the world's most famous museums that Italy has to offer. Then we will journey over to Sicily, the largest of the Mediterranean islands. Its rich history is reflected in sites like the Valley of the Temples and the Byzantine mosaics at the Cappella Palatina, a former royal chapel in the capital city Palermo. On Sicily's eastern edge is Taormina with its magnificent Greek Theatre and, not to forget, Mount Etna, one of Europe's highest active volcanoes. Sicily's pastries and desserts (dolci) are famous for their richness, and in the Sicilian heat why not try the refreshing drink granita di limone (ice and lemon slush) or enjoy a glass of Marsala, Sicily's most well-known wine.
