This architectural masterpiece stands as a testament to the former Byzantine capital's grandeur and has influenced medieval architecture for centuries. Its design is said to reflect the mirror image of the heavens.

### DAY 3 - EXPLORING OTTOMAN SPLENDOR AND BOSPHORUS BEAUTY

After breakfast, we will head out to explore some of Istanbul's most iconic landmarks. Our first stop will be the Suleymaniye Mosque, one of Istanbul's architectural masterpieces. Designed by the renowned architect Sinan in the 1550s, this majestic structure is a prime example of classical Ottoman architecture. We will learn that the mosque is part of a larger complex built for Sultan Suleyman, providing us with a fascinating glimpse into Ottoman history and design.

## DAY 7 - THE WONDERS OF PAMUKKALE, HIERAPOLIS & LAODICEA

Today, we will explore Pamukkale and Hierapolis, both of which are UNESCO World Heritage Sites. The ancient city of Hierapolis, located near Pamukkale in Denizli, was founded in 190 B.C. by Eumenes II, the king of Pergamon. During the 2nd and 3rd centuries, it became a major Roman thermal bath center. The city was built around a subterranean cavern, known as a Plutonium, which served as a religious center from the Hellenistic era.

Pamukkale, meaning "cotton castle" in Turkish, is one of Turkey's top attractions, famous for its stunning cotton-like terraces. The underground water that once sustained the ancient city of Hierapolis now helps Pamukkale remain one of the country's most important thermal centers. People come from all over to enjoy the healing properties of the waters, which are scientifically proven to cure many ailments. In ancient times, religious and other significant buildings were often constructed near hot or cold water sources.

We will then visit Laodicea, an ancient city renowned for its wealth and early Christian significance. Nearby, we will explore the Stadium and Gymnasium Complex, once used for athletic competitions and public gatherings.

We will then visit the Laodicea Church, one of the oldest known Christian churches and believed to be one of the Seven Churches of Revelation mentioned in the Bible. The remains of the large basilica feature intricate columns and floor mosaics, reflecting the early Christian community that once thrived here.
